

WILMINGTON DANCE ACADEMY

Pilates Breast Cancer Fundraiser A Success!

Thank you to everyone who donated and helped make Wilmington Dance Academy's first Breast Cancer Fundraiser a Success...

We raised \$400

All proceeds went directly to an Avon Care Package to someone fighting the disease and **Cancer Care**.

CancerCare is a national non-profit organization that provides free, professional support services for anyone affected by cancer.

Congratulations to our raffle winners, Beth Walsh and Karen Catalano!

All the proceeds of the raffles went to the **Avon Breast Cancer Crusade**.

Avon Breast Cancer Crusade has for more than a decade raised funds & awareness for advancing access to care & finding a cure for breast cancer.

Pilates is a full mind/body conditioning method designed to tone, lengthen and strengthen all your muscles. Done correctly, this method can be a lifetime way of keeping your body in the best condition possible. Thank you again for participating and experiencing the difference Pilates can make in your life as you helped make a difference in someone else's life at the same time!!
